INTRODUCTION
AND
GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of more than 1,400 city, county, state and national Directories, present to subscribers and the general public, this, the latest edition of the Greensboro City Directory.

Confidence in the growth of Greensboro's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Greensboro to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional people and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Greensboro City Directory will fulfill its mission as a source of authentic information pertaining to the city.

Four Major Departments

The four major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is the Classified Business Section, which embraces a list of the names and addresses of all business and professional concerns of the city, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the city. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In a busy and diversified city like Greensboro, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents, business and professional concerns is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Greensboro, and the name, official personnel, nature and address of each firm and corporation in the city.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section, the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner-occupied homes, the listing of telephone numbers, new householder symbols and Zip Codes.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

Municipal Publicity

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site, and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Greensboro.

The Greensboro Out-Of-Town City Directory Library

Through the courtesy of the publishers of the Greensboro City Directory, a Directory Library is maintained in the offices of the Greensboro Chamber of Commerce, for free reference by the general

public. This is one of over 800 Directory Libraries installed in cities and towns throughout the United States, Canada and Puerto Rico through the courtesy of your publisher.

The publishers appreciatively acknowledge the recognition by those progressive business and professional people who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

Guilford County Courthouse

The new County Courthouse, shown above, was dedicated June, 1973. The eight million dollar structure houses both court and administrative offices, and offers nearly 250,000 square feet of working space. Located at 201 South Eugene Street, the Courthouse is part of the City-County Government Center, which serves to exemplify the excellent working relationship between the governments of the two jurisdictions. Guilford County is indeed growing; and county government is growing with it in order to better serve you.

GOVERNMENT

Greensboro uses the City Manager form of government. The City Council is composed of an elected mayor and six councilmen who are elected from the city at large.

Good management of the city is reflected in nationally-recognized superiority in reduction of fire losses and low insurance rates, salability of municipal bonds, efficient police protection, well-paved streets and modern sewage and sanitation facilities. These and other evidences of good government have given Greensboro an atmosphere of enterprise and well-being.

Administering the affairs of Guilford County is a commission of five members elected at large. With its county manager, it is generally regarded as one of the best managed counties in the State, and is frequently pointed out as a model by the North Carolina Institute of Government.

A new governmental center for the city of Greensboro and Guilford County has been completed.

County Government

Financing public school facilities and administering health and welfare programs are perhaps the most widely known examples of county government at work. But there's much more to the total operation in Guilford County.

The county government is additionally charged with the protection of people and property. This involves law enforcement and court operation, fire protection, property inspections, zoning and subdivision regulations.

Guilford County government also provides or contributes to the support of many additional services to its people. There are state programs to promote the development of agriculture, industrial development. Regional Airport, services to veterans, and a contribution to the operating budgets of Greensboro and High Point public libraries.

Jefferson Standard Life Insurance Company Building

Although not the largest tobacco market in the Old Belt, Greensboro's market is growing the most rapidly of any in the section. Reactivated in 1959, after twenty-five years of inactivity, the market has increased its sales faster than any other in the Old Belt. This growth is due mainly to the excellent management, and Greensboro's location in the center of one of the nation's finest tobacco-growing areas.

"Greater Greensboro Open" Golf Tournament

RECREATION

Greensboro is a sports-minded community with golf as the leading spectator and participant activity. Some 20 public and private courses offer challenge to the weekend golfer as well as the touring professional. Since 1938, the Jaycees have sponsored and promoted the Greater Greensboro Open Golf Tournament, a $225,000 PGA-sanctioned tour event.

Greensboro offers professional ice hockey and football. The North Carolina Coaching Clinic and the State's High School Basketball and Football All Star Games are held annually in the Gate City. The North Carolina Closed Tennis Tournament has been held in Greensboro each summer for the past 40 years. The ACC basketball tournament, the CIAA and the annual "Big Four" tipoffs are held in the city's 16,500 seat Coliseum. The NAIA Indoor Track and Field Championships were held here in 1975.

Nearby facilities are available for fishing, boating, swimming, hunting of duck, quail, fox and deer and skeet and trap shooting. The 4 country clubs have handsome clubhouses where many social gatherings are held: riding, fox hunting, musical programs, dancing, bridge, tennis, skeet, swimming and others.

The schools and colleges schedule continuous series of recreational and educational entertainment and athletic events throughout the school year; over 500 clubs aid specifically in many recreational undertakings. There are 100 parks with a full-time recreational staff employed to promote activity throughout the year.

POINTS OF HISTORIC INTEREST

Guilford Courthouse National Military Park is located on the site of the Battle of Guilford Courthouse. Here, General Greene fought one of the final and significant battles of the Revolution in North Carolina, and the losses Cornwallis suffered contributed in large parts to his surrender at Yorktown several months later. Maintained as a national park, the site has an historical museum and many monuments, including General Greene, Winston, Caldwell and the famous "giant" Peter Francisco.

O. Henry, one of the most famous writers of this country, was born in Greensboro. A bronze tablet on the Masonic Temple identifies his birthplace. O. Henry exhibits are to be found in the Greensboro Historical Museum.

Dolley Madison's Well—This site, identified by a marker near Guilford College, marks the birthplace of the wife of the fourth U. S. president.

The home and famous classical school of Dr. David Caldwell, first pastor of Buffalo and Alamance Presbyterian Churches, Guilford County's first-citizen, minister, educator, physician and statesman, are marked by plaques on Friendly Road near their sites.

The Greensboro Historical Museum, containing many well-preserved relics from the city's past, is located on Summit Avenue.

The McNairy House was built in 1761, and serves as an example of the living quarters of early settlers to the area.

RELIGIOUS FEATURES

The church has always been a powerful and constructive force in the life of every Guilford County neighborhood. The Quaker Meeting House at New Garden (now Guilford College) was established in 1752, and Old Buffalo Presbyterian Church organized in 1756.

Today, there are over 312 churches in Greensboro, representing all leading denominations—Protestant, Catholic, Jewish. There is a broad, religious tolerance activated by progressive ministerial associations and the Council of Protestants, Catholics and Jews.

TRANSPORTATION—COMMUNICATIONS

TRANSPORTATION

Greensboro, located in almost the geographical center of North Carolina, has long been a transportation focal point that in early years contributed much to the city's present size and position.

Because of its central location, Greensboro was placed on the main railroad lines and highways. And when airline facilities were being installed around the country in the 1920's, the city was included in the first north-south mainline service. These transportation facilities and its location were among the more important factors that have made Greensboro natural as an industrial and distribution site, both wholesale and retail.

Regular daily schedules include: 4 passenger trains, 164 buses, 90 direct airline flights in and out of Greensboro, two passenger and 14 freight trains and 4 package cars.

AIRPORT—The Greensboro-High Point-Winston-Salem Airport, a pioneer in the Southeast, serves the Northern Piedmont area. The airport is served by Eastern, United, Delta and Piedmont Airlines; in addition to paved runways, the airport also has a weather bureau, hangars, restaurant, and complete radio equipment. There are 90 airline flights in and out of Greensboro daily.

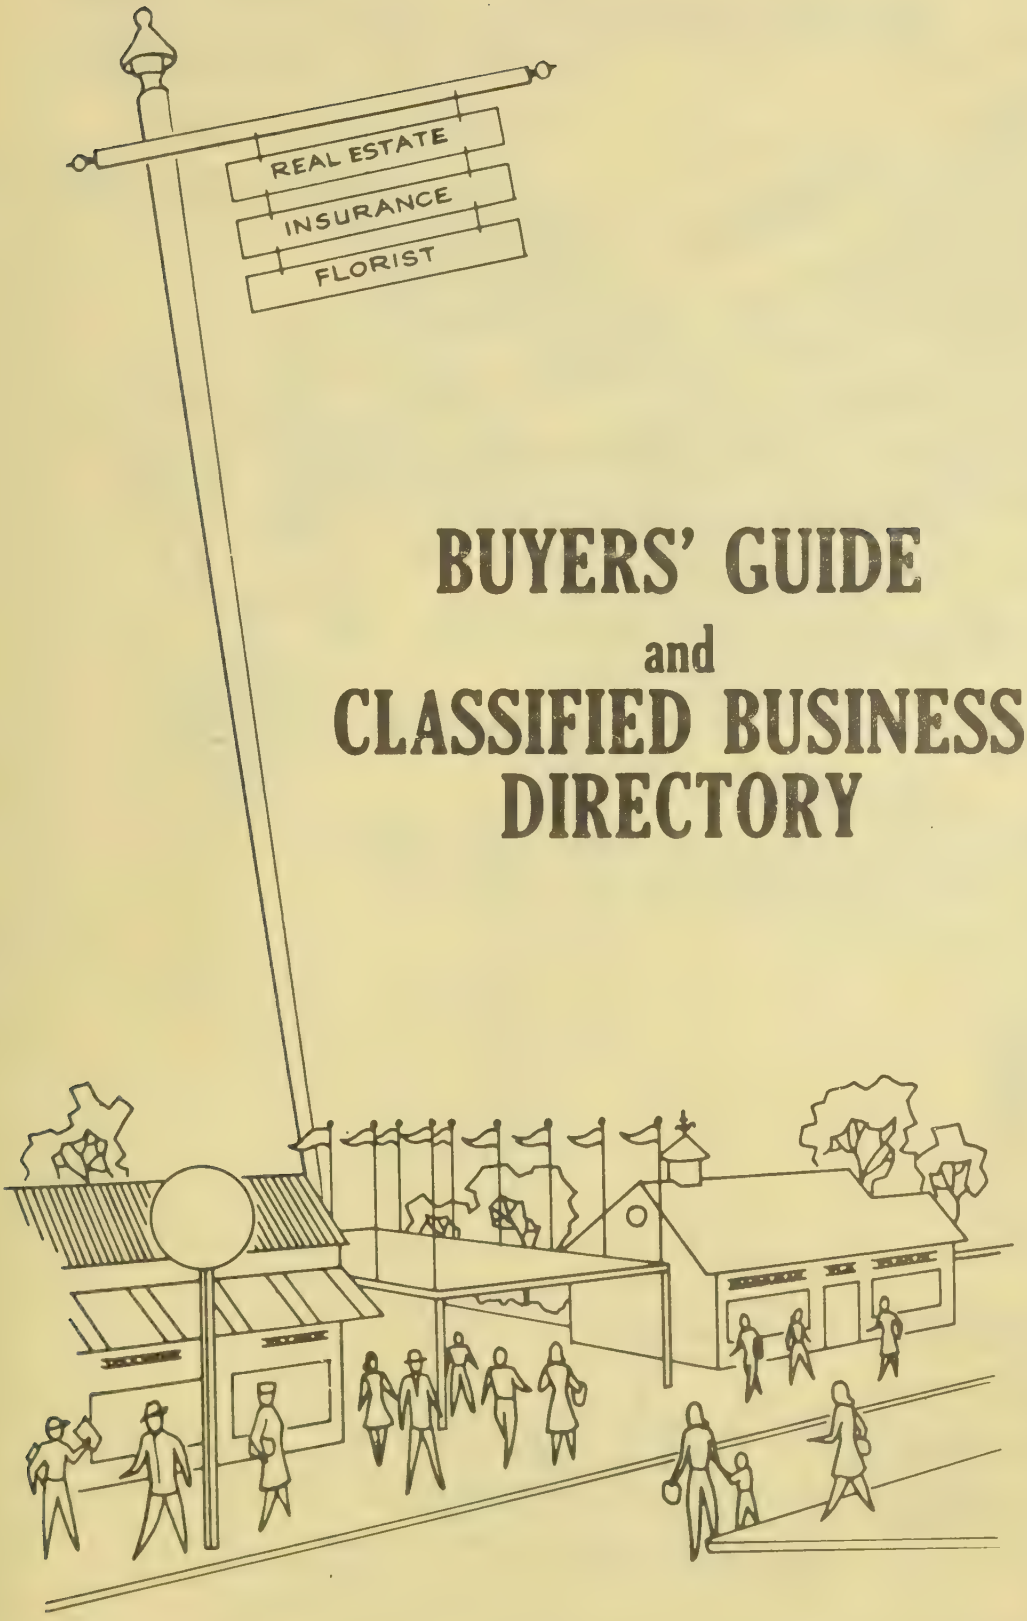
BUSES—Standard bus lines travel in eight directions to connect all principal cities. Southern Greyhound, Queen City Trailways, Carolina Trailways, and Safety Transit Lines operate under State regulations and clear through a union terminal.

HIGHWAYS—U. S. 29, 70; Interstate 85, U. S. 220. U. S. 70-A, U. S. 29-A and 421 and Interstate 40. More than 2,500 miles of hard-surfaced highways within a radius of fifty miles provide a means of easy access to Greensboro.

RAILROADS—Greensboro is the center of rail, highway and air transportation in the Northern Piedmont. It is served by the main line of Southern Railway that runs north and south and 4 branch lines.

TRUCKS—Greensboro also has a large number of trucking companies with excellent terminal facilities. The companies operate large fleets in all directions which adds further to the city's transportation facilities. United Parcel Service also has a major terminal in Greensboro. This, and the density of population, make Greensboro more easily accessible to more people than any other city in the South Atlantic States.

COMMUNICATIONS



NEWSPAPERS—2 dailies, 5 weeklies, 1 bi-monthly.

RADIO STATIONS—WBIG, WCOG, WEAL, WGBG, WRQK-FM, WPET, WQFS-VM, WQMG-FM.

TELEVISION STATIONS—WFMY-TV (100 kw), and WUNC-TV (100 kw).

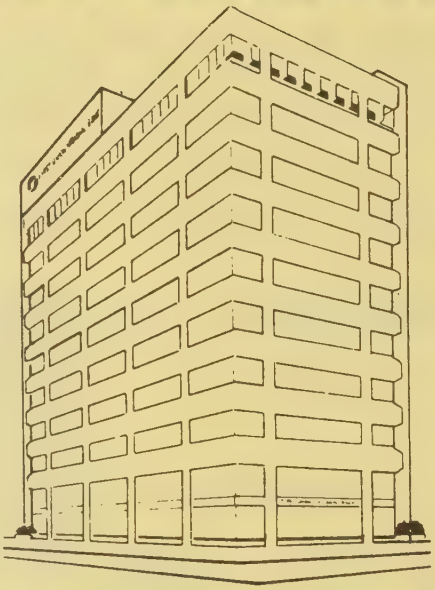
First-Citizens Bank. Since 1898.



America Can Do. These words symbolize our nation's ever-growing capacity to achieve...our resourcefulness... our strength. Strength that has met every challenge from the moment the last signature was inscribed on the Declaration of Independence to placing the first man on the moon.

Today, as we resolve our economic problems, let's all be ever-mindful, ever-positive that America Can Do.

THE NORTHWESTERN BANK

Member Federal Deposit Insurance Corporation

GENEROUS SAVINGS PLANS — The Northwestern Bank offers highest interest on passbook savings accounts. For the savings investor, our Certificates of Deposit earn higher interest on longer term deposits.
AUTOMATIC SAVINGS — Make your savings grow fast and easy with the help of Northwestern's Automatic Savings. Specify the Thursdays, and the amount you want to save, and the money is transferred from your Northwestern Checking Account to the savings plan of your choice — automatically.
FREE CHECKING ACCOUNTS — No service charge is made on any personal account maintaining a balance of $100, regardless of the number of checks written. For college students and faculty, there is no minimum balance requirement.
INSTALLMENT LOANS — An installment loan is the easiest way to buy needed items or to pay bills.
COMMERCIAL LOANS — The Loan Department, set up to serve you quickly and efficiently, makes various loans for many purposes. We welcome all loan applications which will benefit borrowers and keep our depositors' funds in productive use.
MASTER CHARGE — A Northwestern Master Charge Credit Card will make shopping easier for you. Use it in retail stores, restaurants, beauty shops, motels, service stations, and airlines — just to name a few. You will have instant credit nationwide wherever you see the Master Charge sign. Card holders may obtain a cash advance at any participating bank.
CASH RESERVE — You can write a check for an instant loan with Cash Reserve. It works in combination with your Northwestern Master Charge account and Northwestern Checking Account.
GOLD ACCOUNT — Combine 10 personal banking services in one convenient package — Northwestern's Gold Account. Only $3 a month entitles you to unlimited check writing, a Master Charge Card, Cash Reserve, personalized checks, a Safe Deposit Box, Traveler's and Cashier's Checks, as well as reduced interest rates on personal loans, a savings account, personal income tax preparation, and a check cashing identification card valid at any Northwestern office.
TRUST SERVICES — The Trust Department cooperates with your attorney in the drawing of your Will and can act as the executor or trustee of your estate.
SAFE DEPOSIT BOXES — A Safe Deposit Box protects your valuable possessions from the hazards of fire, theft, or loss. Birth certificates, stocks, bonds, insurance policies, service papers, deeds, and wills should be kept in a Safe Deposit Box.
PARKING AND DRIVE-IN BANKING — Northwestern has free customer parking and drive-in banking.
OTHER SERVICES — Northwestern has many other services. Some of the most popular ones are Certificates of Deposit, Cashier's Checks, and Traveler's Checks.

We realize that we are Dependent for our livelihood upon the public whom we serve and that we must represent our insureds at all times.

We realize that we are Dependent upon our service to satisfy our insureds and to satisfy our companies.

We realize that we are "Dependent" upon our companies to provide the types of policies which our insureds need and also to provide capable and experienced claim, engineering and advisory service so important to any agent and to any policyholder.

We realize that just claims must be paid promptly and many years ago we chose companies willing and ready to do so. Some of these companies we have represented for over thirty-eight years. On the other hand, we have no trouble with unjust claims upon the part of our policyholders. They're just not that type!

We realize that our agency is "INDEPENDENT" only in that we represent BOTH the insured and the company.

It is our pleasure and duty to be fair and honest with both our customers and our companies. Both customers and companies approve. You are cordially invited to try our services.

When you make the biggest investment of your life, where do you go for advice?

MULTIPLE LISTING SERVICE · COOPERATIVE REAL ESTATE SALES · MLS

REALTOR®

It's not easy. Most of the time, when you need some sound advice about buying or selling your home, you have to ask a relative or a friend to recommend someone.

If they can.

And whether it's your first home, or your fifth, the market changes. The city changes. It's not a transaction to jump into on impulse.

Real estate agencies secure most of their clients from referrals.

A couple of Realtors in Greensboro took a look at that reality. And they took a look at themselves.

They realized that what this area needed was an established real estate company. One that the public could associate with experience, strong educational backgrounds, and long-term professional ethics.

(Because after all, a Realtor provides a service not unlike a doctor or a lawyer or a banker. You confide in him.)

After a great deal of thought and a great deal of planning, Cornerstone, Inc., Realtors came to be.

The name and the office are new, but the people — the Realtors — are some of the most qualified and experienced professionals in the field. They banded together around the concept of providing strong real estate services. Providing the strength and the support of a cornerstone.

Located at the corner of North Greene and Bellemeade Streets. The telephone number is 378-1404.

A Realtor is really a Cornerstone in the community.
